ADAM PIGGOTT & JAYNE FREEMAN ACOUSTIC FOLK POP FROM BRITAIN

British acoustic duo **Adam Piggott** and **Jayne Freeman** have performed throughout Britain and Europe, and have been involved in notable musical projects at The Royal Albert Hall, the BBC and The National Theatre. They play original songs and covers with influences from folk, blues, jazz, country, Americana and pop.

Jayne sings and plays ukulele and percussion; Adam sings and plays acoustic guitar, ukulele, snare and chromatic harmonica. Combining powerful acoustic guitar and ukulele with inspired melodies in the folk and pop tradition the duo also take a unique slant on some well-known (and unexpected) covers.

This will be their second visit to KFC. *Don't miss them!*

MARK LAURENT & BRENDA LIDDIARD ACOUSTIC MUSIC WITH PASSION

Mark and Brenda are part of that secret army of 'indie' musicians who fly just below the commercial radar, playing grass-roots music in an 'unplugged' style. They've been touring New Zealand, Australia and the UK for 20 years, and what they enjoy most is to connect with audiences on an intimate level with the sound of guitars, mandolin, Rowan lute and harmonies.

Both Mark and Brenda are songwriters; Mark has a penchant for acoustic rock, blues and reggae, whereas Brenda's songs lean more towards new folk and alt. country ... so what you get is an eclectic mix of material, that can be 'pin drop' delicate, or sound like a 4-piece band. Don't miss two of New Zealand's finest singer/songwriters!
